Commodore's Comments

April was a great month at the club, and May promises to be even better. I trust everyone had a great Easter this year. I know the clubhouse was completely full of beautiful families enjoying the festivities. The Holiday in Dixie Regatta last weekend was a fun time for all, thanks to Eric Guvernator and the rest of the Race Committee. Congratulations to all the competitors on a well-sailed regatta as well as Kevin Orff (J22) and Linda Shemwell (Portsmouth), our 2 class winners. Regattas like HID are the perfect time for anybody interested in sailing to get involved to learn what the sport is all about and we had several first-time regatta sailors and race committee volunteers. This May we hope to organize a couple other sailing events, like "raft-ups" and Long- Distance Races. May also brings other great club events like Mother's Day and Memorial Day.

As summer fast approaches the lake and our boat ramp are getting more crowded. Please be mindful of others by following the SYC's posted rules and the regulations of Cross Lake, like no wake zones. This helps keep everyone safe. I hope to see you all having a great time on the water!

Manager's Message

We had another great start to spring. From the Easter brunch and activities, to the Holiday in Dixie Regatta, the club has been packed! The swimming pool is now open and I have seen many members at the pool taking advantage of the awesome weather we have had lately. We are in the process of hiring lifeguards for the summer. If you know of a certified lifeguard looking for a job please send them my way.

We are very excited to be having our Mother's Day brunch on the 11th. Please make your reservations early if planning to attend. This event will fill up fast! We also have our annual Memorial Day BBQ planned for Monday, the 26. Keep in mind that the club will be closed every Wednesday after a Monday holiday.

T-Pier has been completely rebuilt and is now ready to use for the summer. The junior sailing camps for this summer are full and I know the kids are really looking forward to this again this year.

We are very happy to have Chef Robert Franklin joining us at the club. Robert has a great amount of experience and even trained in Italy for a couple of years. His first order of business will be creating our new summer menu. I hope all of you make a point to come out and enjoy his culinary creations!

See you at the club,

Rick Hutson – General Manager
