Commodore's Comments

It was a great month at the Club—Lots of Easter festivities, as well as another packed house for Bingo Night. The Admin Professionals Day lunch was a great way for us to show our thanks to those that work so hard every day. Also, if you've driven through the front gate lately, you've probably noticed something new taking shape: our new sign is almost complete! A big thank you to Brenda Graves, Don Olson, and George Carroll for helping bring that project to life. I'm looking forward to the pool opening and especially excited about all the live music on the deck throughout the rest of the year! I look forward to hearing more fun stories from our long-time members. This club has an incredible history...and I love hearing about it! See you at the club!

Manager's Message

There is so much going on at the club this month I don't know where to start. First things first, the swimming pool is now OPEN! Please remember that we do not have lifeguards until Memorial Day weekend. Also, no glassware is allowed in the pool area. We always look forward to seeing everyone at the Mother's Day brunch. Bringing mom out to the club is a great way to show her how much she means to you. We are starting what we hope is an annual tradition with our live music on the deck on Fridays starting on May 22nd. We are bringing in some of the local's best musicians for your enjoyment. We have scheduled 4 consecutive Fridays this Spring and 4 more in the Fall. There is no cost to come out and enjoy the music so we hope to see great crowds. Our Memorial Day BBQ is scheduled for the 25th. You will not want to miss this either. Sous Chef Don makes some of the best brisket I have ever had!

Be on the lookout for another new event in early June this year. Jim Snyder of G&C Marine will be bringing out several boats for our members exclusively to view and test drive. We will also have complimentary burgers and draft beer at that event. It is tentatively scheduled for June 5th. Keep an eye out on your email inbox for further details.

The club is in great shape and we can't wait to see you all at the upcoming events!
