Commodore's Comments

May was a great month thanks to the efforts of the entire club staff. The club hosted many graduation parties, and I would like to congratulate all the graduates. We also had another great Memorial Day weekend despite not having the best weather on Monday. June promises to be just as great and even better. The first 2 weeks the club will be a buzz with our annual Sail Camp which has become one of our most popular events thanks to Karl and Elizaeth Bradley.

Projects and maintenance are ongoing at the club. We will be installing a new gate opener soon that should ensure more reliable operation and better security. A and C Pier piling maintenance should be completed this month and we will be looking forward to starting some work on the new property, along with making the room below the bar more usable for members.

Jeff Little will be heading up this year's nominating committee. Those interested in serving on this committee or the 2026 Board of Directors should contact Jeff or the club office.

I wish everyone a fun and safe summer. See you around the club.

James Coe – Commodore
