Commodore's Comments

This is one of my favorite times of year at the club! This is when the pool opens and we see lots of kids and families enjoying themselves. The docks are busy with members cleaning their boats, hoping they will start when they turn the key, knocking off the dust and bugs and getting ready for the fun summer ahead.

We kicked off the month with a wonderful Mother's Day Brunch that was enjoyed by a full crowd of members and guests, then an amazing Memorial Day BBQ! We've had two Friday nights of live music on the deck so far....and WOW...the members are really loving it. Great music, good food, and beautiful sunsets over the water. The positive feedback has been incredible. Rick and the staff have done an amazing job at making all this a success....from serving so many guests that show up at the same time...to monitoring incoming rain, so we all were able to stay dry and happy!

I love seeing so much activity on the lake! People sailing, fishing, tubing, wake boarding, knee boarding (yes, they still do!), jet skiing and just floating with a cocktail in hand! As we head into the heart of summer, I encourage you to take advantage of everything the club has to offer. Whether you're enjoying the pool, spending a day on the lake, playing pickle ball, gathering with friends on the deck, or simply watching the sunset, there's no better place to be! I look forward to seeing you at the club!
