Commodore's Comments

If I had to pick a favorite month at the Shreveport Yacht Club...it would be tough, but I think July would win every time!

There is just something magical about celebrating Independence Day at the lake. The pool is full with kids splashing, boats are everywhere you look, live music playing on the deck, and members and guests gather to make lots of lasting memories. It's everything that makes our club so special.

This year's Fourth of July celebration was one for the books! With more than 300 registered guests—and that doesn't even include our members—the club was overflowing with excitement from morning until night.

A heartfelt thank you goes to Rick and our incredible staff for pulling off such a tremendous event. Hosting a crowd of that size is no small task, yet they somehow made it all look effortless. Mother Nature kept us guessing with a little afternoon weather, delaying the fireworks just enough to keep everyone on their toes. But thanks to the team's flexibility and determination, the show went on—and as always, the fireworks were absolutely spectacular. I think we can all agree they were worth the wait!

Whether you spent the day by the pool, out on the water, enjoying food & beverages with friends, or watching the fireworks light up the lake, I hope you took a moment to appreciate what a special community we have.

Thanks again to our staff, volunteers, members, and guests for making this year's celebration one to remember. More importantly, thank you to our members for continuing to drop anchor at the Shreveport Yacht Club and making it such a special place to gather, celebrate, and call home.

I look forward to seeing you at the club!
