## Membership Classifications

**Active Member**- Shall have reached the age of twenty-one, shall be entitled to all privileges of the Club, including holding office and voting at all called and general meetings of the Club. The immediate household of the active/non-resident member shall be entitled to the privileges of the Club until they reach the age of twenty-one (age twenty-five if still enrolled as a student in college). Non-resident members must reside more than fifty miles away from the Club.

**Junior** - Shall be between the ages of twenty-one and thirty-two. They shall be entitled to enjoy all the privileges of the Active Member except that they shall not be eligible to vote or hold office. A Junior Member shall automatically become an Active Member on their thirty-third birthday, upon purchase of one share of stock and paying to the Club the difference between the amount of the initiation fee for a Junior Member and an Active Member with the exception that Junior Members with at least three years standing may attain Active status without paying additional initiation fees. The \$100.00 deposit will be credited towards stock purchase upon conversion to Active Membership status.

**Novice** - Shall have reached the age of fourteen and shall not have attained the age of twenty-one and shall be entitled to the privileges of the Club except the right to vote and hold office. The privileges of the Club shall be extended to the immediate members of the Novice Member's family only when accompanied by the Novice Member. A Novice member shall automatically become a Junior Member upon paying to the Club the difference between the amount of the initiation fee for a Novice Member and a Junior Member in effect at the time he reaches his twenty-first birthday. The change from Novice Membership to Junior Membership shall become effective on January 1st following the 21st birthday. If, however, upon reaching 21 (or a full time student applying initially), the Novice Member is still a full time student in an accredited university, he/she shall become a Novice Member until the graduation date plus six months.

**Non-Resident** - Shall be persons having reached the age of twenty-one whose primary place of residence is located over a fifty mile radius from the Shreveport Yacht Club. They shall be entitled to all privileges of the Club as enjoyed by Active Members.

**Military** - Shall be members of the armed forces on active duty. Military members shall pay \$100.00 annually as initiation fee; however, total payments are not to exceed the initiation fee for an Active Membership.

Membership acceptance requires signatures from two current voting members in good standing, signatures from two members of the Membership Committee, and signature from the Shreveport Yacht Club Commodore.
