Manager's Message

As we leave 2020 behind (thankfully), I am very optimistic about the new year to come here at the club.

As are we all, I am so ready for getting back to the normalcy that we are accustomed to. Lucky for us, our new normal at the club will

begin with a brand new and improved clubhouse and member experience. Once we know that we are able to do so, we will be planning the best Grand Opening / Member Appreciation / late Commodores Ball party that we have ever seen! Hopefully this will happen around May or June.!

In the meantime, we are still able to have food and bar service and look forward to seeing all of you take advantage of Chef John's weekly specials and our bartender's fabulous drinks.

The clubhouse construction is moving right along. It looks as though we will be moving to the new downstairs bar area sometime this month while the upstairs areas are demolished and rebuilt. When this happens, we will still be serving food from a food truck loaned to us by Wayne Wentworth (thanks Wayne!). Please be sure to check your e-mail boxes on a regular basis for updates.

I want to personally thank our outgoing board members...John Hellyer, Andy Murphy, and Grace Ann Blake. Each has donated their time, energy, and effort to help make this a better club.

I hope you all had a wonderful Christmas and holiday season and we look forward to serving you in 2021!

See you at the club,

Rick Hutson, General Manager

Notices

Reminder: the Club will be going to paperless billing in January and we need everyone's current e-mail address in order to get statements to everyone. The newsletters can be found on our website at shreveportyachtclub.com. Please contact the office if you wish to opt out of paperless billing or if you would like to set up automatic drafts from a bank account or credit card.

Also, the board has voted to begin charging a 3% administrative fee to all credit card transactions beginning January 1st, 2021 to help offset the tremendous cost to the club of the fees associated with credit cards.

Last Notice: This is the last reminder that the remaining unclaimed trailers in the annex will be disposed of beginning in January. Please notify the office or the harbormaster immediately if any of these trailers belong to you.
