

Sail Camp Lunch

This year we are offering a Sail Camp sack lunch plan through the Shreveport Yacht Club. If you would like to participate, your child will be provided with a sack lunch each day that they attend camp. No need to send a lunch from home!

If you are the lucky parent of multiple campers, they will each require their own lunch plans and we will require a separate form for each child.

Cost: \$50 session/per child

*Along with this completed form, please provide a separate check, made payable to the Shreveport Yacht Club.
