## Commodore's Comments

If you missed the Member Appreciation party last month, you missed a great one. I really enjoyed the decor by Melissa Lamberth, and the music by Jimmy Wooten and his band (and others). Off course the party also featured great food by Chef Mona, as well as the drinks by SYC staff, but I think the revelry was supported by the fact that so many members dressed up. I remember the 1970's and I don't think I had as much fun back then as I did at this party.

Also, last month, the club hosted a fish fry on Labor Day and a Successful Taco night. The weather has now cooled, the pool has closed, but our climate in this area has always meant that boating season never really draws to a close. I hope everyone continues to be safe and continues their enjoyment with our club.

*Jeff Little, Commodore*

## Manager's Message

We are winding down the summer season but the events at the club are ramping up. We have two regattas scheduled this month. In conjunction with the regattas, we will also have two "cook your own steak" nights. We will be trying something new this year for Halloween with our Bingo and kid's party. In addition, Chef Mona and her staff has come up with some great German specials for the month to celebrate Oktoberfest. And check out the bar for several new German beers for the month. We hope to see many of you out for these activities. Please see the articles in this newsletter and upcoming emails for more details and information.

Many thanks to everyone that has sent in your slip lease/s. We know that this has been an inconvenience to some but was much needed for the club to maintain accurate records on all slips. Please let myself, the commodore or the harbormaster know if there are any repairs needed on the docks and slips so we can address them in a timely manner.

Please keep in mind that "T" pier will soon be under construction and will not be usable for some time. About 75% of the entire pier will be torn down completely and replaced with new pilings, deck boards and electrical. The pool is now closed for the season and will be covered soon to keep leaves and dirt out. We are looking forward to a great fall season at the club!

*Rick Hutson, General Manager*
